CALL to ACTION

FLX Gives is the 24-hour day of giving hosted every November by Community Foundation of Elmira-Corning and the Finger Lakes. This special day helps more than 100 local organizations raise money to support their work in the community. Since 2019, FLX Gives has raised more than \$1 million! It's a great way to give back before the holidays.

FLX Cares is our new initiative designed to complement FLX Gives, throughout the year. It's all about caring, and sharing your time and treasure, in a way that is bigger than you are. Designed to build a community where everyone can thrive, FLX Cares shows you how to volunteer, participate and advocate for the nonprofits you love.

FLX Calendar takes schedules from local nonprofits and businesses then consolidates them in one place. It's our way of making it a little easier to stay on top of local event scheduling. With so many events in the area, FLX Calendar helps you plan your year, month and week.

Watch for the FLX Calendar icon so you can take an active role in the community and support organizations and businesses you love.

Nina Chen - \$500

We operate with the understanding that we can make a big difference in the world, one gift at a time.

With over 50 years of grant-giving experience, we are committed to the future of the community.

We find creative ways to support the growth and development of our region by forging lasting relationships with, and between, donors, advisors, leaders, and non-profits in the region.

Community Foundation of Elmira-Corning and the Finger Lakes, Inc. is a not-for-profit organization classified as a publicly supported 501(c) (3) charity under the Internal Revenue Code. We are governed by a community-based, volunteer board of directors and administered by professional staff. We serve the counties of Chemung, Schuyler, Steuben and Yates in the Southern Tier of New York State.

2024-2025 DONORS

The synergy created by annual donors to the Community Foundation of Elmira-Corning and the Finger Lakes, Inc. magnifies our financial strength. Whether they establish a new fund or contribute to an existing fund, our donors’ charitable gifts harness the hopes of many and together, they create opportunities throughout our community.
